

How to Close Out the Edmark Online School Year

All licenses for the Edmark Reading Program Online expire on July 31st each year.

- Generate and Print **Student Progress Report** for each student.
- Make assignments for students who will have access to the program from home or through summer programs.
- Make sure to share the student login information with the appropriate adults.
- After July 31, teachers and school admins will still be able to access student reports.
